# Heal Your Heart EECP Treatment Center has Expanded our Neelankarai Clinic

## Press Release Chennai May 27, 2022.

We are excited to announce the opening of our new additional EECP Treatment Center in Neelankarai. This step comes as a part of our continuous effort to expand our reach and make our services widely available to accommodate our patient's needs.

Our new clinic is a state-of-the-art technology consisting of a nine-room EECP treatment facility, making it is the largest EECP treatment center in India that can provide EECP treatment for more than a hundred patients in a day. It is a 4000 sq-ft EECP treatment center with ample car parking space and convenient amenities for your benefit. We are committed to providing the best EECP treatment to patients who require heart treatment without surgery.

The official opening of our New EECP Treatment Clinic will take place on Friday, June 03, 2022. We welcome your presence.
