ICL Medilab with Heal your Heart started the Kerala
First Advance Enhanced External Counter
Pulsation treatment in Irinjalakuda, Thrissur district.

Press release Chennai 12th Feb 2018

(Heal Your Heart is a unit of Vaso-Meditech Pvt Ltd Clinical Division)

Heal your Heart Vaso-Meditech EECP centre with ICL Medilab started its first franchise of Enhanced External Counter Pulsation (EECP) treatment unit in Irujalakuda, Thrissur Kerala. The grand Inauguration function was held in Irujalakuda on 12th Feb, was attended by Prominent religious leaders, Political heads, Bureaucrats and directors from ICL Medilab and Vaso-Meditech.

The centre was inaugurated by Rev.Bishop Mar Pauly Kannukadan and Swami Sunil Das founder of Sneham Charitable Trust. Arunan MLA, Former Kerala Gov Chief Whip Thomas Unniyadan, Irinjalakuda Municipal Chairperson Smt. Nimya Shiju graced the occasion. ICL CMD Mr. Anil Kumar, ICL director Mrs. Uma Anilkumar, Vaso-Meditech & ICL director Dr.S.Ramasamy, ITU bank Chairman Sri.M P Jackson, ICL Director Mr. Sajeesh Gopalan attended the function and delivered the inaugural speech.

Mr. Anil Kumar CMD ICL group of companies said ICL Medilab is the first cardio treatment and advance diagnostic facility centre in entire Thrissur district. Advanced Vaso-Meditech EECF treatment is a non surgical, safe alternative for thousands of cardiac patients across Kerala. ICL group will bring this technology in association with Vaso-Meditech Heal your Heart to create 50 centres in a short span of time to meet the great demand of a safe effective treatment for cardiac patients.

Dr.S.Ramasamy International Expert in EECF explained to the general public, who attended the inaugural function, the need for a non surgical and non invasive treatment is the necessity of the hour. EECF certainly fit in to this area. The treatment is FDA cleared and approved treatment. The treatment works by creating a natural bypass around the blocked arteries by creating new blood vessels. The growth of new vessels is proven beyond doubt by angiogram. All cardiac patients to talk to their doctors about EECF and whether they are eligible for it. ICL Medilab will provide a full time consultation and second opinion for your cardiac disease due to coronary artery blockage.

The ICL Medilab will also provide other services including vascular profiling, Central blood pressure, pathology, microbiology and other haematological test. The function was attended by more than 500 general public and announcement was made to provide treatment discount for the first 100 EECF patients.
