

## What is the age limit for Vaso-Meditech EECP treatment?

Vaso-Meditech EECP is a non-invasive outpatient and safe treatment. Age is not a barrier for this treatment, any patient even from a younger age group of around 20 or up to the age limit of 95 years EECP is not a contraindication because it's very safe and it's beneficial even in an elderly patient as effective as in the younger age group.
